## CAKES

### Reine de Saba (GF)

This rich chocolate and almond cake happens to be completely gluten free. Orange liqueur flavors the cake, and we smooth a layer of apricot preserves below ganache. An Uppercrust classic.

**4" - 16 / 6" - 32 / 8" - 48**

### Bourbon Butter Pecan

This Uppercrust Thanksgiving special is a white sour cream and vanilla bean cake is dipped in bourbon syrup, layered with whipped pecan butter, and frosted with bourbon buttercream.

**4" - 16 / 6" - 32 / 8" - 48**

### Carrot

Lightly spiced and made with butter, rather than the typical vegetable oil, our carrot cake is moist and dense. We decorate with cream cheese frosting and cover in toasted walnuts.

**4" - 16 / 6" - 32 / 8" - 48**

### Custom and Specialty Cakes

We love to make special cakes just for you. Unfortunately, Thanksgiving week is one of the few times of year we cannot accommodate custom cake requests. Thank you for your understanding.
